

## **ON-CAMPUS RECRUITMENT**

Subject to the provisions of subdivision (11) of subsection (b) of Section 1-210 of the Connecticut General Statutes, the high schools/programs of LEARN shall provide the same directory information and on-campus recruiting opportunities to the representatives of the armed forces of the United States of America and state armed services as are offered to nonmilitary recruiters, recruiters for commercial concerns and recruiters representing institutions of higher education and other post-secondary programs.

LEARN shall provide full access for the recruitment of students by technical education and career schools, regional agricultural science and technology education centers, inter-district magnet schools, charter schools and inter-district student attendance programs, provided that such recruitment is not for the purpose of interscholastic competition.

LEARN will inform, at the middle and high school level, students and parents/guardians of the availability of (1) vocational, technical, technological and postsecondary education and training at technical education and career schools, and (2) agricultural science and technology education at regional agricultural science and technology education centers. LEARN shall provide information relating to such schools on its website.

Military recruiters or institutions of higher learning shall have access to secondary school students' names, addresses, and telephone listings unless the parent of the student, or the student, if eighteen years of age or older, has submitted a written request to opt out of the disclosure of such information, in which case the information may not be released without the parent's (or the student's) prior written consent. LEARN shall notify parents of the option to make such request and shall comply with any request received.

The school administrator may make the determination of when the recruitment meetings are to take place and reserves the right to deny such meeting where the holding of such meeting will materially and substantially interfere with the proper and orderly operations of the school.

Any person or organization denied the rights accorded under this policy shall have the right to request a review of the decision by the LEARN Board of Directors by filing a written request within ten (10) days with the Executive Director.
