

ACCESS & ADVOCACY FOR ENGLISH LEARNERS

USING CELP STANDARDS TO ASSESS LANGUAGE GROWTH

As the population of English Learners (ELs) grows across the state of CT, it becomes increasingly important to monitor students' language growth in order to determine what they can do in the mainstream classroom. Join us in this **FREE** professional learning experience to:

- Build a shared understanding of the purpose of assessing language growth,
- Become familiar with the ELP growth targets,
- Learn how to use the CELP standards to equitably assess growth, and
- Increase your capacity to advocate for equitable access and assessment of our ELs
